

Wednesday – Families who Trust

Read Ruth 1:1-18 together. Put everyone's name in a hat. Pick someone else's name. (Every name should eventually be picked by someone else. If you live alone, you can disregard that rule, and by the way, this process will go very quickly.)

The name you pick is Orpah and will be leaving your family. Pack one suitcase with what you think they will need. After all suitcases are packed, gather together and unpack them and see if you can guess who packed your suitcase! Discuss why they chose to include what they did.

Craft Idea: Popsicle stick puzzle with hearts (collect the pieces around the house with a trust walk or hide and seek!). Supplies are in the craft kits; if you want one, contact your pastor or church office.

God, bless our family.

Help us to trust you and one another.

In Jesus' name, Amen
