

Tuesday – Families who Hear

Read Luke 15:11-32.

After the reading, record a video each member of the family individually retelling the story. When all have told their version, watch them all together.

Compare the versions! What details did each person remember? Which details got changed or left out? How do the stories compare to the original in the Bible? What does that demonstrate about what and how we hear? What can learn about each other from the way you each retold the story?

God, bless our family.

Give us open ears to hear and open hearts to love each other.

In Jesus' name, Amen
