

Friday – Families with Joy

Read Hebrews 9:4 and 2 Kings 6:12-21. Make and decorate an "ark of the family." What important things from your story should be included? Once it is finished, find a special place in the house for it. Then take it outside and parade it into the house with music and dancing and celebration! Try to be "undignified"--silly enough that David's wife would not like it. :) When the ark of the family reaches its place in the house, say a prayer of praise and thanks together.

Craft Idea: Ark Decoration. Decorate your ark and make it beautiful!

God, bless our family.

Give us joy!

In Jesus' name, Amen
